

# Save Disney Shows

FORUMS - OLDER SHOWS CURRENT SHOWS

Save Disney Shows is a fan run organization dedicated to the fight against Disney's "65 Episode rule" to ensure that all quality Disney shows get a fair run. In light of this, our goals are:

1. The abolishment of Disney's 65 episode rule, and the continued production of new episodes of quality shows such as *Kim Possible*, *Lilo and Stitch*, and *Phil of the Future*.
2. The revitalization of quality Disney shows that are no longer in production, such as (but by no means limited to) *Chip and Dale Rescue Rangers* and *Ducktales*. Simply put, we want DVD boxsets and/or a channel that gives them decent airplay.

We have made great strides to accomplishing these goals in the past year. *Chip and Dale Rescue Rangers*, *Ducktales*, *Gargoyles*, *Darkwing Duck*, and *TaleSpin* have all received at least one DVD boxset of 20+ episodes. And more Boxsets are expected to follow. In addition, *Kim Possible* received the green light for a fourth season as a direct result of the Save KP movement lead by SDS. Those episodes aired on the Disney channel during 2007. In Addition, Michael Eisner was removed from his position as CEO of The Walt Disney Company at the end of September 2005 – a very encouraging sign for our movement and the future of Disney. Nevertheless, there is still more for us to do. Robert A. Iger is the new CEO and his new team has been much more competent.

The Disney Company is trying to resist change, and they are being placed under an enormous amount of pressure to change. Mr. Iger has, since the announcement that he will become the new CEO, started to try and fix the mess left by Eisner. Time will tell if he is up to the challenge or not. We at SaveDisneyShows.org applaud his initiative in these matters, but are concerned that fixing the Disney Channel, Toon Disney, and ABC Family Channel are not among his first priorities. Therefore, our job is to make Mr. Iger aware of the problems that need fixing *now*. If we all work together, we can *and will* continue to change things for the better.
